

# DIELINE AWARDS 2023

## SECOND PLACE

June 14, 2023

### Dieline Awards Announces 2023 Winners Highlighting Sustainable Packaging

*Now in its 14th year, Dieline Awards, one of the world's largest global packaging design competitions, announced its 2023 winners at HOW Design Live.*

Dieline presented trophies to 143 recipients across 43 categories at HOW Design Live in Nashville on June 5th. This year, Dieline received nearly 1,600 entries, with winners hailing from 26 countries. The prize-winning recipients offer a snapshot of where the packaging industry is heading, not only with bold and innovative designs but with many brands committing to **plastic-free materials**.

We are honored to have received the 2nd place award in the SUSTAINABLE Design: Health, Body, and Beauty category alongside our client **Semaine Health!**

## Awards Night

### Semaine Health

Paola Zingaro & Marta  
Sylvester

### 2nd place winners

... continue being disruptors in the packaging industry

"Being recognized as one of the winners of the Dieline Sustainable Awards is a game changer for us and motivation to continue being disruptors in the packaging industry. Having clients who are aligned in our mission for changing the status quo like Semaine Health, has been an honor. We hope these awards will bring some much-needed attention to the Nutra/Pharma/OTC industry in mitigating climate change."  
-Marta Sylvester, CEO & founder NuGen Packaging
